ENROLLMENT PROCEDURE

NRC Clubhouse and the State of Kansas require proper information about each child be provided and kept on record. NRC Clubhouse will provide all necessary forms in this enrollment package. Enrollment forms can be picked up in our main office at 415 N. Poplar, Newton, KS 67114. Forms can be mailed upon request by calling (316) 283-7330. **All forms must be completed and turned in to Newton Recreation Commission, 415 N. Poplar. There will be a 2 business day processing period before your child can attend. We will NOT accept incomplete forms. NRC Clubhouse sites WILL NOT accept any forms.** If your child attends Santa Fe or plans to attend Early Release School Days you must contact school transportation at 316-284-6506 to schedule your child's transportation to Slate Creek or provide transportation yourself.

SCHEDULED ATTENDANCE

With the scheduling of activities and snack preparation, it is vital that we know in advance how many kids we will have each day. We do allow drop-ins (excluding Early Release Days & Field Trips) but we appreciate being given notice of your child's planned attendance. We realize situations may arise at the last minute and we will try to accommodate.

Please note: **If your child does not attend school during the day, they are not permitted to attend NRC Clubhouse that afternoon.**

You may call NRC Clubhouse at any time and leave a voicemail for Esmeralda Hernandez, NRC Clubhouse Coordinator at (316) 283-7330.

FIELD TRIP DAYS

During school breaks and summer we will go on field trips. Field Trip Days sometimes require us to leave at 8:00 am or earlier; please make sure you have your child dropped off on time. Departure times posted on the weekly schedule will be adhered to. **We want to experience every destination to the fullest potential and want to arrive on time. We will no longer wait for participants who are "on the way" or arrive late.** It is not fair for the rest of the group to sit and wait. Students who miss departure time cannot be dropped off until NRC Clubhouse returns.

Due to the large size of our group, return times may occasionally run later than scheduled. If we expect to be more than 15 minutes behind schedule, an update will be posted on the NRC Clubhouse Facebook page.

Schedules will be posted on NRC Clubhouse Facebook page. **Make sure to sign up for Field Trips by the posted deadline, available at the school site or on Facebook.** This will be noted on the list of Field Trip Days and will be on the weekly schedule the week prior to the field trip. **Only participants who regularly attend NRC Clubhouse will be allowed to go on field trips.** If your child runs away from the group on a field trip, they will not be able to attend the next field trip and may be suspended up to 3 days. If you have any questions please don't hesitate to ask NRC Clubhouse Coordinator, Esmeralda Hernandez ehernandez@newtonrec.org, or NRC Clubhouse site staff.

PARTICIPANT'S MONEY (SUMMER ONLY)

Participants may want to bring spending money for concessions at the Municipal Pool. Each day a participant brings money, **it should be turned in to a Clubhouse staff member upon arrival.** The staff member will then put the money in a Ziploc bag and write the child's name on the bag. The bag will be put in the staff's backpack to be distributed at the proper time. *We are not responsible for campers' money not given to staff.* **We do not guarantee children will be able to use this money every week.**

CHILD DROP OFF & PICK UP PROCEDURES

Check-In/Out Procedure:

For the safety of all children, parents/guardians must come inside to check their child in and out each day. If your child is dropped off without being checked in by a parent or guardian, they will not be allowed to stay, and you will be contacted to return and complete check-in. We understand that there may occasionally be a wait, and we appreciate your patience. If there is a line, please wait, this procedure is required for the safety and accountability of all participants.

Late Pick Up Policy: We understand that occasional delays can happen, but it is important to be responsible and notify us if you anticipate being late. Repeated late pick-ups by parents may result in the suspension of the child from the program for up to three days. Thank you for your cooperation in ensuring timely pick-ups.

Late Pick Up Staff Procedure: If a child is not picked up within **5 minutes** after closing (6:00 PM), a phone call will be made to the parent or guardian. If no one arrives within **10 minutes**, the NRC Clubhouse Supervisor will be contacted. The supervisor will begin calling all contacts listed on the child's pick-up list. If after **30 minutes** there has been no response from any listed contacts and the child is not picked up, **local law enforcement will be notified.**

No child will be released to any person not authorized by the parents in the enrollment packet.

If someone other than an authorized person is to pick up your child, please notify the NRC Clubhouse Coordinator, Esmeralda Hernandez at ehernandez@newtonrec.org or call 316-283-7330.

****Taking responsibility is a vital part of our program. Your support in encouraging your child to pick up before they leave helps us to maintain a clean, safe and organized site for our students.****

Toileting and Potty Training Policy

To maintain a safe, hygienic, and developmentally appropriate environment, all children enrolled in Clubhouse are required to be **fully potty trained** prior to the starting.

Being fully potty trained includes the ability to:

- Recognize when they need to use the restroom.
- Communicate their need to use the restroom.
- Walk independently to the appropriate restroom and identify which restroom is designated for boys or girls.
- Independently manage all toileting tasks, including wiping and re-dressing.

While occasional accidents are understandable, children who are not fully potty trained and require ongoing assistance with toileting will need to be supported by a parent or guardian. In such cases, a parent or approved emergency contact will be called to come to the program to assist the child as needed.

If your child has any medical or health-related conditions that impact their toileting abilities, please contact the NRC Clubhouse Coordinator to discuss appropriate steps and accommodations.

SICK CHILDREN

NRC Clubhouse staff will not knowingly accept participants for care when they are ill. If a child becomes ill during program hours, the parent/guardian will be called to pick up their child and asked to make other arrangements. If NRC Clubhouse staff notifies you that your child is sick, you or someone listed on the child's pick-up list must promptly pick them up. Please make sure that all phone numbers and emergency contact information are up to date. Always notify us in writing of any changes. If your child will not be attending the program due to illness, please notify the NRC Clubhouse Coordinator as soon as possible.

Sicknesses includes, but is not limited to: pink eye, head lice, vomiting, or other symptoms of illness. If your child complains of stomach issues or appears unwell, a phone call will be made to parents, and the child must be picked up.

OPEN DOOR POLICY & PARENT PARTICIPATION

At NRC Clubhouse, we welcome and encourage parent involvement and visitation. Any custodial parent or guardian of a child enrolled in the program shall be permitted access during operating hours for the purpose of contacting their child, evaluating the care provided, or observing the program.

However, for the safety of all participants, **any parent, guardian, or visitor who wishes to interact with the children or participate in the program must complete a background check before being allowed to engage with the group.** We kindly ask that you schedule your visit in advance so we can ensure all required clearances are in place prior to your arrival.

Upon entering the site, please check in with the NRC Clubhouse Coordinator or Site Supervisor.

Talks, demonstrations, and participation from parents or approved visitors are welcomed when aligned with our program plans. Weekly activity schedules during summer and school breaks are available every Friday afternoon. They can be found on the check-in/out table and posted on our NRC Clubhouse Facebook page. Licensing records, inspection forms, and other pertinent documents are available upon request. If you have any concerns, suggestions, or would like to schedule a visit, please contact Esmeralda Hernandez, NRC Clubhouse Coordinator.
